Summary: On 5/4/2016, IUPD Officer Mat Lewis met with Kiply Drew with Indiana University General Counsel. Drew handed Officer Lewis a 13 page memorandum. The memorandum describes an investigation into multiple allegations that Professor Guoping Wang engaged in unwanted advances against students and staff. It was brought to the attention of IUPD because one of the complainants, [REDACTED] requested police involvement.

Sgt. Schmuhl and I met with [REDACTED] on 5/6/2016 and asked her to describe an event that was mentioned in the memorandum. [REDACTED] gave the following account.

On 11/06/2015, [REDACTED] along with her dance partner and another dance couple, was rehearsing for The Nutcracker at the Indiana University Musical Arts Center (MAC). After rehearsal (approximately 1745 hours), Guoping Wang approached [REDACTED] and asked her to stay to work on her technique and some stretches. Wang and [REDACTED] worked in a studio for a short while when Wang suggested they work on stretches in the hall. After working on stretches, Wang invited [REDACTED] into his office. The two went to Wang's office at approximately 1815 hours. When Wang and [REDACTED] went to Wang's office, Wang left the door open while they were talking. Wang demonstrated several stretches. Some of the stretches were for [REDACTED]'s back and the two were on the floor of Wang's office while doing the stretches. While [REDACTED] and Wang were on the floor, Wang attempted to kiss [REDACTED]. [REDACTED] pushed Wang away and got up to leave, but Wang stood between her and the only door to the office. Wang then closed the door to the office and turned the light off. [REDACTED] felt like she couldn't move as Wang began kissing her. Wang then pulled [REDACTED] leotard off of her. He was touching her sexually, kissing her breasts and tried to "finger" her. [REDACTED] felt frozen and told Wang, "Please Guoping, no, this can't happen." Wang told [REDACTED] to let him kiss her. [REDACTED] used her hands to cover her body, but Wang moved them away. Wang picked [REDACTED] up off the ground and set her down on the floor of the office. [REDACTED] struggled with Wang, but Wang was able to pull [REDACTED] leotard and tights all the way down. Wang then tried to kiss [REDACTED] "orally," [REDACTED] later described this by saying that Wang tried to "enter me orally") but she was able to cover her genitals with her hands. There was a noise in the hall outside of the office as if someone was walking down the

hall. Wang got up and went to the door. [REDACTED] also stood up and pulled up her leotard and tights. When Wang opened the door and looked outside, [REDACTED] was able to walk past him and leave. As [REDACTED] was walking away, Wang told her not to tell anyone what happened.

Immediately after the incident, [REDACTED] sent a text message to her roommate, [REDACTED] walked to the MAC and met with [REDACTED]. The two went for a walk [REDACTED], and [REDACTED] told [REDACTED] what happened. This was confirmed in a phone interview with [REDACTED] and [REDACTED].

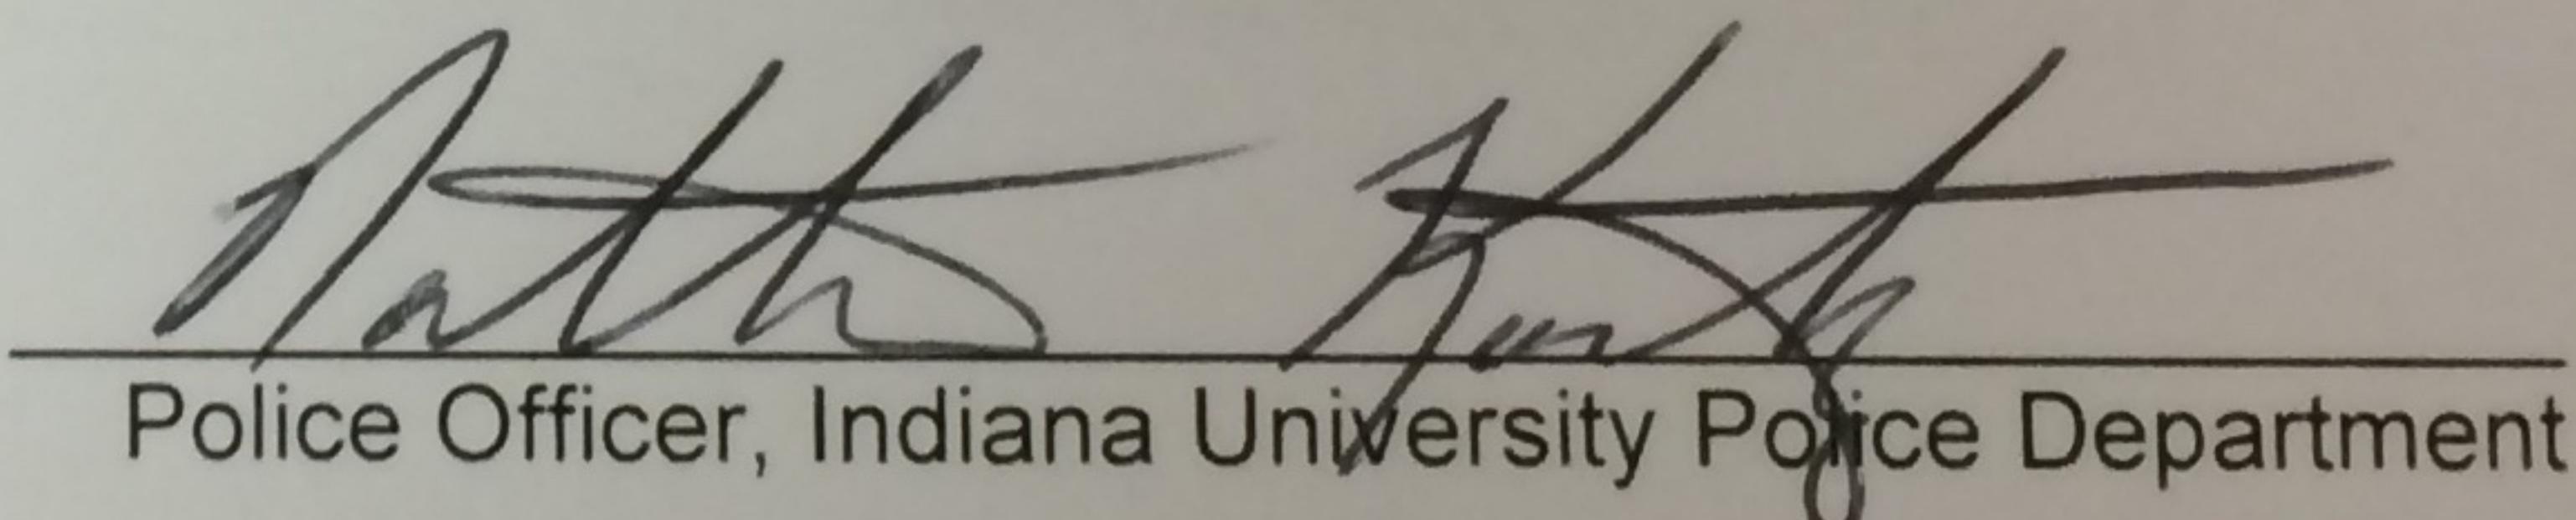

Soon after the Christmas break of the 2015-2016 school year, [REDACTED] told her dance partner, [REDACTED] that Professor Wang sexually assaulted her. She told him this when he tried to give her a birthday gift that Wang had given to him to deliver on his behalf.

[REDACTED] account of the incident was very similar to the account that was described in the memorandum. She did not deviate in any way. While speaking with Sgt. Schmuhl and me, her statement appeared to be credible and her behaviors and stress indicators appeared to be authentic as if she was telling the truth.

Guoping Wang declined to give a statement.

THESE EVENTS OCCURRED IN BLOOMINGTON, MONROE COUNTY, INDIANA.

I swear and affirm under penalties of perjury that the foregoing statement is true and accurate.
